## Company Overview

### 62 Employees

Production	48
------------	----

<b>Administrative</b>	<b>10</b>
-----------------------	-----------

Design	4
--------	---

### 85 Devices

For Machining	55 Sets
---------------	---------

<b>For Inspection</b>	<b>30 Sets</b>
-----------------------	----------------

### 40 Sets+ Per Month

Size	Max 2.2m
------	----------

<b>Average leadtime</b>	<b>20-30 days</b>
-------------------------	-------------------

## Machining Devices

Devices	Qty	Accuracy
Wire EDM	24	0.0005-0.002mm
Optical Profile Grinding	2	0.001mm
Sinker EDM	5	0.002mm
CNC Machining Center	5	0.002-0.005mm
Surface Grinder	15	0.001mm
Big Grinder	1	0.001mm
Puncher	1	0.0025

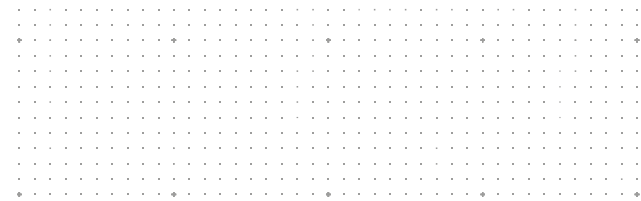

## Testing Devices

Devices	Qty	Accuracy
Coordinate Measuring M/C	1	0.001
Profile Projector	1	0.001
Tool Makers Microscope (Nikon)	1	0.001
Height Gauge	10	0.0005
3-Digital Microscope	1	0.001
Polishing Machine	2	0.002
Two Dimensional Measuring	4	0.001
Micrometer	10	0.0025

## Product Range

- Sundi is a trusted manufacturer offering reliable solutions for transforming your designs or idea into real parts within a short time.

Metal Stamping Tooling  
For forming,  
cutting, bending

Mold spare parts  
for maintenance  
of tooling

Custom Machinery  
Parts with  
unmatched precision  
and versatility.

Ceramic Parts  
(Al<sub>2</sub>O<sub>3</sub>, ZrO<sub>2</sub>, SiC,  
N<sub>4</sub>, SiC )

# Business Scope

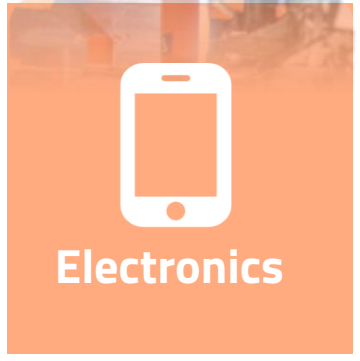

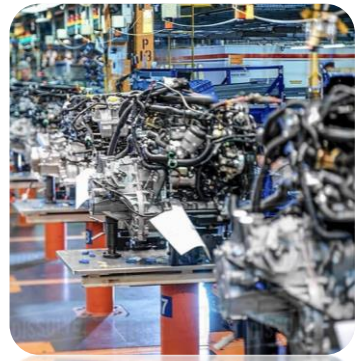

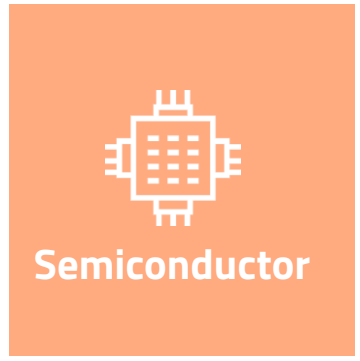

Electronic Communication

Chip packaging

New energy and automation

Injection Molding

**Good Partner  
Great Future**

**Wuxi Sundi Precision Tools Co.,LTD**

No.1318, Building 10 Shenggang Square ,  
Wuxi ,China.
